GITAM

Visakhapatnam -530045

**Event name:** CSI Annual Fest “M.ART.IN. 2k19”

**Date:** 4<sup>th</sup> and 5<sup>th</sup> February 2019

**Participation:** 300+

The CSI GITAM Student Branch in association with the Department of Computer Science Engineering had organized the Annual fest named “M.ART.IN. 2k19”. The Chief Guest for the event was Prof. M. Shashi, Department of CS & SE, AUCE(A), AU, Visakhapatnam and the Guest of Honour was Dr. S. Raja, Associate Director and Scientist-G, NSTL, Visakhapatnam.

Dr. S. Raja, Associate Director and Scientist-G, NSTL, Visakhapatnam, started off by clarifying the differences between intelligence, knowledge and wisdom. He also gave an overview of the design and development of weapons like sea mines and underwater autonomous vehicles by NSTL.

“Every marvelous activity has a lot of steps and hurdles which finally gives result to marvels.”

Prof. M. Shashi, Department of CS & SE, AUCE(A), AU, Visakhapatnam, gave her insights on fuzzy sets and classification. She explained about the techniques of data mining through which clustering can be done and also delved into the significance of Deep Learning methodologies, emphasizing on the fact that continuous learning is essential in the field of Computer Science.

The two-day fest featured a vast variety of technical and non-technical events to promote the talent among students. A workshop on “Smart Automation with AI Assistants” was also conducted over the two days dealing with technologies based on Internet-of-Things (IoT), Cloud Computing and AI-assistant based agents such as Amazon Alexa, involving Alexa Skill Development.
